CEEPUS Invitation

University & Student TV in the CEEPUS Region

What this is about:

The Central CEEPUS Office is cooperating with the cultural satellite program of the ORF, the Austrian Public Broadcasting Corporation.

For an exciting new program that is currently being developed we would like to link up with university and student TV stations in the CEEPUS region in order to create a network of university/ student producers.

More information is to follow soon.

- If you are interested to participate in this interesting new option or
- If you know about a TV station at your university

Please return the feedback form attached by mail or fax to the Central CEEPUS Office as fast as possible!

Important hint: even if you do not know all the details, whatever you do know will be a great help!
